

Life Time's ESG Accomplishments

"I started Life Time 30 years ago to create happy and healthy communities that the entire family could enjoy together and, with the support of our amazing team members, to help them meet all their health and wellbeing needs conveniently under one roof."
 — Bahram Akradi

- Healthy People — Create community where people feel safe, respected & valued
- Healthy Planet — Design & operate efficiently to conserve natural resources
- Healthy Principles — Run a fair & ethical business
